

# RODSTER® STREET ROD OPEN ROADSTER PRICE SHEET

- Effective April 1, 2002

-----  
As an overview, our basic BODY KITS contain the proprietary fiberglass pieces that make up a Rodster Street Rod. And our COMPLETE KITS come with everything you need to convert an '83-'94 Chevy S-10 Blazer except new wheels/tires, misc. fasteners/glues, and a paint job.

## RR-BA)

### **ROADSTER, Original Model, basic BODY KIT: \$4895**

Ultra high-quality fiberglass: hand laminated using high-end orthothalic resin with fiberglass cloth, core mat, and carbon-fiber reinforcement.

- One-piece, tilt-forward original front-end section (with hinge flange, RH and LH body index flanges, cowl support brace/seal, and two headlamp buckets)
- RH and LH front 1/4 panels (with inner fender mounting and nose index flanges)
- RH and LH rocker panels (with mounting flange)
- Tonneau cover (with mounting flange)
- One-piece rear body section (with trunk cut-out, hinge area cross brace, and body mount flanges)
- Trunk lid (complete with backside inner support liner)
- Trunk finisher, gas-filler finisher, header finisher (ABS), RH & LH B-pillar door caps (urethane resin).
- Rodster® Street Rod Indicia, Body# I.D. Plate, and the Rodster Assembly Manual.
